

## Master Service Agreement

- 1) **Introduction.** This Master Service Agreement (“MSA”) is entered into and binding between ATG Corp., d/b/a smadatek (“ATG”) and \_\_\_\_\_ (“Customer”). This MSA describes the services provided to Customer, defines the terms and conditions under which such services are provided and specifies each party’s responsibilities within this MSA. This MSA incorporates by reference the terms of Smadatek Terms and Conditions located here <https://smadatek.com/terms-and-conditions/>, as well as the terms of any Service Order, as if set forth fully herein. In the case of any conflict, the terms of any Service Order shall take precedence, followed by the terms of this MSA, and then the terms of the Smadatek Terms and Conditions.

**Definitions.** For purposes of this MSA the following terms shall have the definitions assigned herein.

- a) **“Customer”** shall mean the individual or individuals ordering the Service at the physical address listed on the Sales Order.
  - b) **“Customer Care”** shall mean technical and billing support services provided to Customer for the Service and/or the Equipment.
  - c) **“Equipment”** shall mean the electronic equipment required to receive the Service and may include Gateways, Routers, Switches, and/or other electronic devices and the associated cabling and activation and controlling devices.
  - d) **“Sales Order”** shall mean the document titled Sales Order provided by ATG that outlines the specific Services and Equipment will be provided to the Customer, and other relevant details, including without limitation the Term, and fees and charges.
  - e) **“Service”** shall mean the services provided to Customer that may include, but not be limited to, cyber security audit, system administration, mobile device administration, hardware repair, project management, employee onboarding, training and education, digital phone, internet access, home security, media and video conferencing solutions, network monitoring, virtual fax, and other telecommunications or even consulting services, either individually or in bundled package(s).
- 2) **Customer Obligations.** ATG will provide the Service to Customer pursuant to a Sales Order issued to and signed by Customer. In the event Customer is in breach of such Sales Order or this MSA, ATG may suspend and/or terminate the Service to Customer.
- a) Customer shall, at its own expense, provide all necessary preparations required to allow ATG to provide Services and comply with ATG’s installation and maintenance specifications for delivery of the Services. Customer shall be responsible for the costs of any relocation or removal of preexisting services in addition to the costs for the preexisting service until such time as the Service is active. ATG strongly recommends that Customer order and maintain a static internet protocol (“IP”) address with original Sales Order. If Customer elects to not order a static IP address, Customer may experience, from time to time, interruptions in service.
  - b) Customer’s signature on the Sales Order requesting Service and any associated Equipment is acknowledgement of receipt and acceptance of the terms and conditions of this MSA. Any other change orders submitted, altering the terms and conditions of individual components of the Service provided, must be submitted in writing, and will be subject to the provisions set forth in this MSA.
- 3) **Term and Termination.** This MSA shall commence on the effective date of the Sales Order and shall remain in effect throughout the service term specified on the Sales Order or other document engaging ATG’s Services (“Initial Term”). Unless otherwise agreed between the parties in writing, if Customer does NOT provide notice of termination at least thirty (30) days in advance of the end of the Term, the Term will automatically be extended for the same length of time as the Initial Term (the Initial Term and any extensions shall be referred to as the “Term”).
- 4) **Description of Service.** Customer agrees to purchase the Services as described in the attached Sales Order Form or any subsequent Sales Order Form.
- 5) **Payment for Services and Equipment.** Customer shall pay the fees and charges set forth in the applicable Sales Order or an addendum to Sales Order (collectively, the “Fees”). Fees shall be invoiced together with any applicable sales, use or other taxes, duties, fees or surcharges that are imposed or authorized by regulatory and governmental entities, including but not limited to sales, use, gross receipts taxes, surcharges, franchise fees, occupational, excise, universal service (state and federal) taxes and surcharges, at the beginning of each month during the Term (or at the end of the month if the Services are usage-based). Invoices shall be sent by electronic mail. Printed copy of an invoice, shall be subject to an additional fee for such of \$.99 per user, not to exceed \$5.00 per invoice billing period. Invoices shall be paid in full within twenty (20) days of the date of invoice.
- a) Late payments shall be subject to a penalty, calculated at 2% interest per month plus a \$50 per month delinquency penalty for each outstanding billing period, or the maximum amount allowed by law, whichever is less. ATG has the right to suspend Services that are overdue by more five (5) days.
  - b) In addition to any applied late fees, penalties and past due balances, a \$20 reconnect fee per Customer telephone number will be required in order to reconnect Service.

added to fees for Service.

- a) **Account Activation Fee:** ATG may charge a fee of up to \$100.00 prior to or upon activation of any component of the Service.
  - b) **Late Fee:** If ATG does not receive payment by the due date, ATG will charge an administrative late fee of \$5.00 per month or partial month until the delinquent amount is paid in full. This late fee is not an interest charge, finance charge, time price differential or other such charge or payment of a similar nature. Customer acknowledges that this fee is reasonably related to the actual expense ATG incurs due to late payment.
  - c) **Change of Service Fee:** If the Service is changed to a lower-priced package, ATG may charge a fee of \$10.00.
  - d) **Phone Payment Fee:** If Customer elects to pay any outstanding balance over the telephone with ATG Customer Care agent, ATG will charge \$10.00.

  - g) **International Calling Fee.** Internationally calling is available to Customers. However, Customer is advised that not all calls may not be able to be terminated to all international extensions. If Customer requires international calls, ATG will assess a \$100 security fee to Customer. Customer is responsible for International Long Distance fees, as noted in Section 5, above.

**Questions About Billing Statements.** If Customer has reason to believe the statement is incorrect or if Customer needs more information about the statement, Customer should contact ATG immediately. ATG will try to resolve any complaints or questions as promptly as possible. Undisputed portions of the statement must be paid by the due date to avoid applicable fees and possible reduction or deactivation of Service.

**Collection Costs.** To the extent permitted by law, Customer will pay ATG any costs and fees reasonably incurred to collect amounts owed.

- 9) **Customer Care.** ATG will provide Customer Care to Customers to address questions or issues about the Service as defined in this section. While ATG offers high telecommunications availability, no guarantee can be given for the uninterrupted, fault free functioning of the customer's Service. BECAUSE ATG IS PROVIDING ATG VOIP SERVICES TO YOU, THE CUSTOMER, ATG IS OBLIGATED TO MAKE CERTAIN DISCLOSURES TO YOU, THE CUSTOMER, REGARDING THE 911 SERVICES, AND TO OBTAIN AND RETAIN YOUR ACKNOWLEDGMENT OF HAVING RECEIVED AND UNDERSTOOD THESE DISCLOSURES. - 17) **Digital Subscriber Line (DSL) and Cable Internet Customer Acknowledgement:** Customer acknowledges that Digital Subscriber Line ("DSL") broadband and Cable Internet service is considered to be a best effort service with no warranties (including warranties regarding continuous service uptime or voice quality) except those, if any, expressly stated herein.

Should it be determined that the Customer's DSL and/or Cable broadband service fails to support the Customer's service requirements by (i) inadequately meeting service delivery latency and service performance requirements causing call quality and service interruption, (ii) not providing sufficient capacity to support the target maximum number of concurrent calls (Target MNCC) originally projected when there is no other traffic on the circuit, and Customer notifies ATG of three (3) such failures in any calendar month within two (2) calendar days of each failure, and Customer and ATG are unable to resolve such failures, ATG will propose a broadband service connection circuit and/or speed upgrade more suited to the customer's needs. Upon proposal of this upgrade by ATG, Customer must accept or decline such upgrade within fifteen (15) calendar days. Should customer elect to accept this upgrade, ATG shall upgrade the circuit and Customer's billing shall be adjusted to reflect the change in service. Customer is responsible for all service charges incurred during the installation timeframe of the upgraded broadband connection. Should customer decline this upgrade, Customer acknowledges, understands and fully accepts that their existing broadband connection may cause call quality issues and not hold ATG responsible for such issues. In the event that Customer should elect to decline the upgrade or recommended remedies by ATG, ATG reserves the right to terminate the Customer agreement with thirty (30) calendar day notification. No service refunds of either monthly or non recurring charges will be provided by ATG to the Customer, and all termination, cancellation and minimum term commitment fees normally associated with early service termination will apply per the Master Services Agreement between the Customer and ATG.

- 18) **Reasonable Use Policy.** ATG offers several calling plans and features which give Customers the freedom to make calls without the minute limits associated with most calling plans. However, because unlimited calling plans and features may be subject to abuse, fraud or unreasonable exploitation, ATG has prepared this Reasonable Use Policy ("Policy") as a guide for Customers. The Policy provides guidance regarding impermissible and unreasonable uses of ATG Services and features, and a summary of ATG's rights in the event that impermissible or unreasonable usage is identified.

- a) **Normal Use.** ATG's unlimited small business plans and features are intended solely for normal commercial use by small businesses and home offices. ATG's residential unlimited Service plans and features are solely for normal residential or personal use. These Services are limited to the personal use of the account holder and immediate family (including domestic partners) who reside with the account holder. ATG voice Services are designed only for continuous live dialog between two individuals. Unusual calling patterns, excessive called numbers and/or consistent excessive usage will each be considered an indicator that usage is exceeding normal standards. ATG's Service may not be used for auto-dialing, continuous, or extensive call forwarding, excessive conferencing, inbound/outbound centralized or distributed call center activity, telemarketing (including charitable or political solicitation or polling), fax or voicemail blasting, or for continuous or extensive chat line access, or as an open telephone line as a monitor, intercom or transcription service.
- b) **Lawful and Appropriate Purposes.** ATG's Service and related devices may not be used in any way that is illegal, fraudulent, improper or inappropriate. It is prohibited to use any automated means to manipulate the Service, use the Service to violate any law, rule, or regulation, violate any third party's intellectual property or personal rights or exceed permitted access to the Service.
- c) **ATG's Rights.** ATG reserves the right to review a Customer's account if account usage is beyond normal standards, impermissible or detrimental to our operations or other Customers' ability to optimally use the Service. If ATG determines unreasonable usage is occurring, immediate mandatory transfer to an appropriate plan, suspension or termination of the Service will occur. ATG may assess abnormal usage based on comparisons to the usage patterns and levels of other Customers. A reasonable effort will be made to provide notifications by email and/or telephone to remind Customers of this Policy, Terms of Service and of any potential unreasonable use in order to allow the improper usage to be corrected. Failure to promptly contact ATG in response to any notifications regarding account usage and/or failure to promptly correct usage activity to conform to normal use will also result in ATG's right to exercise any of the actions outlined above. If ATG believes that the Service has been used for an unlawful purpose, ATG may forward the relevant communication and other information, including the account holder's identity, to the appropriate authorities for investigation and prosecution.
- d) **Changes.** ATG reserves the right to change this Policy at any time. Changes shall become effective when a revised Policy is posted to ATG's website.

- 19) **Conditions and Restrictions:** Other than those rights expressly granted herein, ATG grants to Customer no other rights to the Services, express or implied, and ATG reserves all rights in the Services not expressly granted herein. Customer agrees that it shall not, nor shall it permit others to: (a) alter, adjust, repair or circumvent any aspect of the Services; (b) use or allow the use by Customer personnel or third party agents or representatives of, the Services or performance data for the development or modification of new or existing Customer or third party product lines, analysis reports or for public release. Additionally, Customer shall not use, nor shall it permit others to use the Services: (a) for any unlawful, invasive, infringing, defamatory, fraudulent or obscene purpose; (b) to send unsolicited, bulk email of any kind, regardless of the content or nature of such messages, post the same or similar message to one or more newsgroups or host or accept bulk replies resulting from such unsolicited email; (c) to forge IP address information or mail headers; (d) to send any virus, worm, trojan horse or harmful code or attachment; (e) to alter, steal, corrupt, disable, destroy, trespass or violate any security or encryption of any computer file, database or network; (f) so as to interfere with the use of the ATG or connectivity partner network by other customers or authorized users; or (g) in violation of the acceptable use policies of ATG's service providers, including its backbone providers. Customer acknowledges that the all ATG provided hardware, including but not limited to phones, service termination devices, routers and switches are the sole property of ATG and are provided as a part of the services provided to the Customer. Customer is responsible for the reasonable use of the ATG provided hardware
- 20) **Service Interruptions:** Service may be interrupted from time to time for a variety of reasons. ATG is not responsible for any interruptions of Service that occur due to acts of God, power failure, Viruses, non payment to 3<sup>rd</sup> parties, equipment failure, downstream/upstream Internet and/or IP providers or any other cause beyond ATG's reasonable control. If Customer elects to not order a static IP, the Customer may experience, from time to time, an interruption in service.
- 21) **Disclaimers.** EXCEPT AS EXPRESSLY PROVIDED HEREIN, ATG MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, REGARDING ANY SERVICE OR EQUIPMENT. ALL SUCH WARRANTIES OR REPRESENTATIONS, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT ARE DISCLAIMED.
- 22) **Limitations of Liability.** ATG IS NOT RESPONSIBLE FOR ANY CONSEQUENTIAL DAMAGES OR LOSSES RELATING TO THE EQUIPMENT OR SERVICE, WHETHER BASED ON NEGLIGENCE OR OTHERWISE. REGARDLESS OF THE CAUSE, ATG's TOTAL LIABILITY FOR DAMAGES OR LOSSES TO CUSTOMER AND ANY OTHER PERSONS RECEIVING THE SERVICE, WILL IN NO EVENT EXCEED THE AMOUNT THAT CUSTOMER HAS PAID TO ATG FOR THE SERVICE THAT CUSTOMER RECEIVED DURING THE SIX (6) MONTH PERIOD IMMEDIATELY PRIOR TO THE SPECIFIC EVENT THAT GAVE RISE TO THE APPLICABLE DAMAGE OR LOSS. THIS LIMITATION DOES NOT CONSTITUTE A DETERMINATION BY THE IDAHO PUBLIC UTILITIES COMMISSION THAT A LIMITATION IMPOSED BY THE COMPANY SHOULD BE UPHOLD IN A COURT OF LAW. ACCEPTANCE FOR FILING BY THE COMMISSION RECOGNIZES THAT IT IS A COURT'S RESPONSIBILITY TO ADJUDICATE NEGLIGENCE AND CONSEQUENTIAL DAMAGE CLAIMS. IT IS ALSO THE COURT'S RESPONSIBILITY TO DETERMINE THE VALIDITY OF THE EXCULPATORY CLAUSE.
- 23) **Changes to Service by Customer:** If Customer terminates service prior to the end of the contract or service term, as specified in the Sales Order, for any reason other than breach of this MSA by ATG or Force Majeure, and concurrently submits a new Sales Order for Services of the same or greater value over the same or greater term, early termination of such Service will not be considered a breach of this MSA. However, Customer will pay any unpaid amounts for the terminated Service through the date of termination and any additional charges associated with disconnecting the terminated Service.
- 24) **Applicable Law and Jurisdiction:** This contract is subject to Idaho law. The place of jurisdiction shall be Ada County.
- 25) **Breach and Termination:** Either party may terminate this MSA upon breach by the other party without incurring terminating liability, provided that, prior written notice is given to the breaching party which specifies the circumstances which may lead to termination and allows thirty (30) days to remedy such circumstances, or a longer time period if mutually agreed upon (Cure Period), and the breaching party fails to cure the circumstances within the Cure Period. If a Service is terminated either by Customer for reasons other than breach by ATG and without a replacement Sales Order pursuant to Section 11, or by ATG for breach by Customer, then Customer will pay ATG 1) 100% of any unpaid amounts for the terminated Service through the end of the current Term as specified on the Sales Order; 2) any Equipment costs, and; 3) any additional charges associated with disconnecting the Service.
- 26) **Effect of Termination.** In the case of the Termination or Expiration of this MSA for any reason, Customer acknowledges that any and all ATG provided hardware will be returned to ATG in reasonable working condition within 5 business days at the termination of this Agreement. Customer is responsible for shipping and any associated costs of the return of the hardware. In the case of Termination by ATG under Section 25 above, Customer shall pay ATG for any Services provided through the date of Termination.
- 27) **Amendments or Changes to this MSA:** ATG reserves the right to amend its services, prices and the Terms and Conditions of this MSA at any time. Changes or revisions to this MSA will be deemed effective upon posting the applicable revisions at/on <http://www.smadatek.com/msa>
- 28) **Transfer of Rights, Assignment:** Customers are not permitted to transfer or assign the rights or obligations arising from this MSA to third parties without ATG's written consent. ATG is entitled to transfer or assign the rights and obligations arising from this contract to a third party without prior notice to or consent from Customer.

- 29) **Indemnification:** Customer shall indemnify, defend and hold harmless ATG, its officers, directors, volunteers, employees, agents, advertisers, information providers and suppliers from and against all third-party claims, liabilities, losses, injuries, suits, costs, charges, judgements, fines, penalties, liens, expenses, damages and costs, including reasonable attorney's fees, resulting from ATG's activities under this MSA.
- 30) **Severability** The provisions of this MSA are severable, and in the event any provision hereof is determined to be invalid or unenforceable, such invalidity or unenforceability shall not in any way affect the validity or enforceability of the remaining provisions hereof.
- 31) **Force Majeure:** ATG cannot be held liable if the Service or any other services provided by ATG are temporarily interrupted, partially restricted or disabled due to force majeure. Force Majeure is defined as natural events of special intensity (avalanche, flood etc.), war, and armed conflict, terrorism, strike, unforeseeable restrictions by authorities, power failure, virus attack, pandemic, etc.
- 32) **Waiver.** The failure of ATG to insist upon strict adherence to any term of this MSA shall not be considered a waiver of ATG's right, or deprive ATG of the right thereafter to insist upon strict adherence to that term or any other term of this MSA.
- 33) **Governing Law, Venue, Dispute Resolution.** This MSA shall be governed by the laws of Idaho, without application of its conflict of laws provisions. Any dispute arising under this MSA, shall be brought in the state or federal courts located in Ada County Idaho. The parties hereby waive the right to a jury trial. With respect to any dispute among the parties arising out of or relating to this MSA, the reasonable attorneys' fees and costs incurred by the prevailing party in connection with such dispute shall be paid by the other party or parties to such dispute.
